

The Issues of Stormwater Management (SWM)

LOUISIANA
URBAN STORMWATER COALITION
louisianastormwater.org

Traditional Drainage Approach

- Move water as quickly as possible away from where rain falls
 - Collect stormwater
 - Convey stormwater
 - Dispose of stormwater

Traditional Drainage Approach

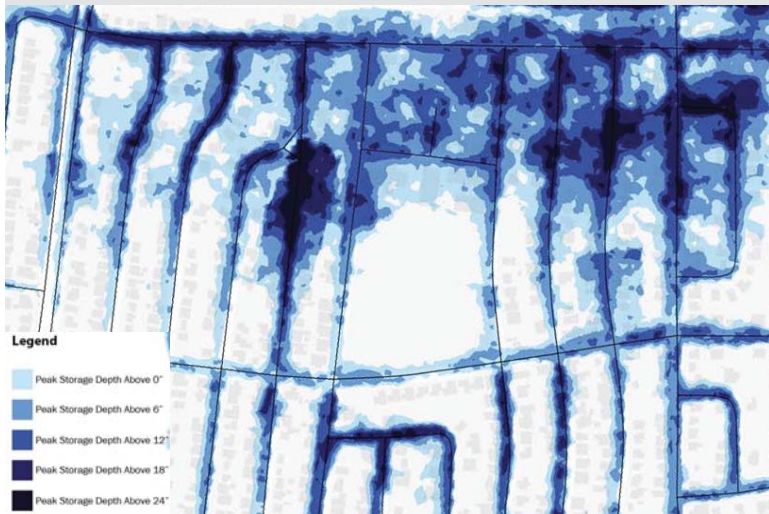

- Problems with "Drainage Only" approach
 - Costly to build
 - Costly to operate
 - Creates problems
 - Detracts from neighborhood livability and quality

Flood Hazard Mitigation

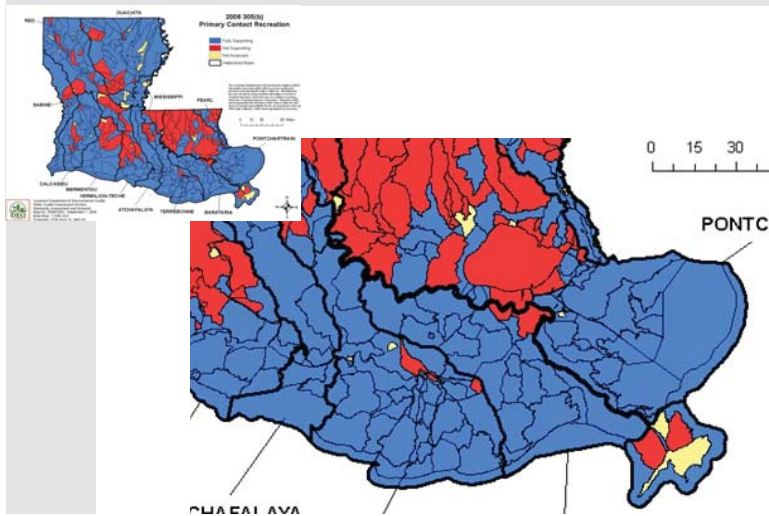

Flood Hazard Mitigation

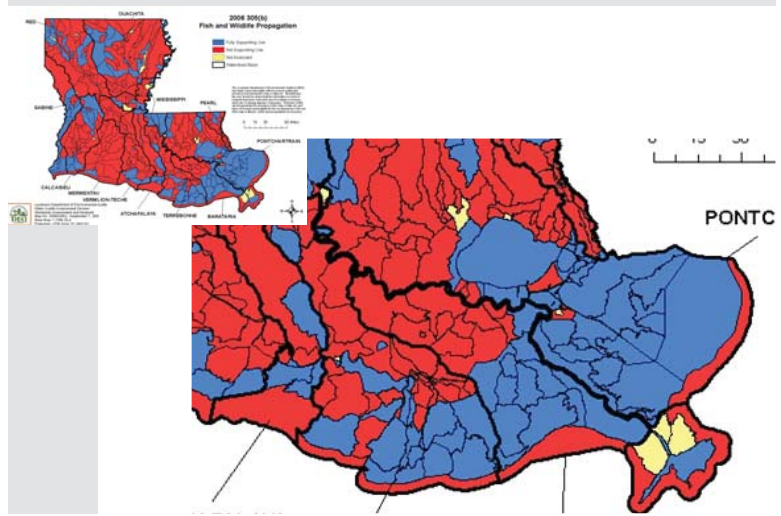

Water Quality

Southeast Louisiana's Impaired Water Bodies

Southeast Louisiana's Impaired Water Bodies

MS4 Permit Requirements

- Annual Report
- Local Enforcement
- EPA enforcement
